

# RIFLEMAN I

## PREREQUISITE CLASSES

None required

Just watch the video above before attending class.

## LIVE FIRE CLASS INFORMATION

Learn how to use the most effective tool for gunfighting and become a rifleman! Rifles are easy to shoot but being able to shoot well does not make you a rifleman. This rifle class teaches you how to gunfight at close distance with a rifle in a fast and effective manner. Zero your rifles sights before class at 50 yards.

## TOPICS COVERED

Tourniquets

Safety

Weapons handling

Target areas

Incapacitation vs lethality

Rifle manipulations

Emergency and tactical reloads

Rifle malfunctions

Contact shots

Close quarters shooting

Cover, concealment and barriers

Moving and maneuvering

Shooting on the move

Gunfighting tactics
